

# Multi-pack racks for sliding gates

From 1 July 2011 racks **art. ZE07** and **art. ZE08** will only be available in packs of 4 rather than individually.

Article codes **ZE07** and **ZE08** are therefore replaced by codes **ZE07/4** and **ZE08/4**.

Orders that are already open will be fulfilled with articles ZE07 and ZE08 (pack of 1 pc).

### Art. ZE07/4

Rectangular rack in galvanised steel, 4 modules, length 1 metre each, for sliding gate with maximum weight of 1,000 kg. Supplied with installation accessories.

Pack of 4 metres (4 pieces of 1 metre each).

### Art. ZE08/4

Modular rack in plastic reinforced with a steel core, 4 modules, length 1 metre each, for sliding gate with maximum weight of 1,000 kg.

Supplied with installation accessories.

Pack of 4 metres (4 pieces of 1 metre each).
